

Setting up Application Environment

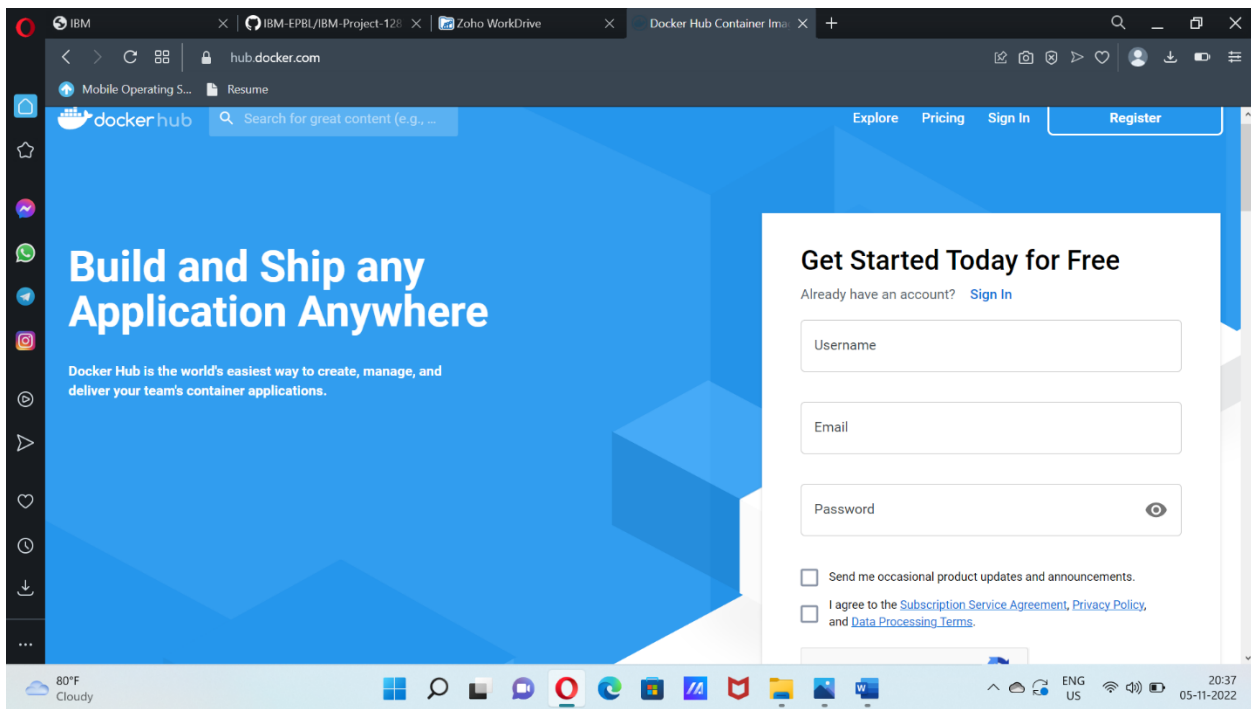

Docker CLI Installation

Date	5 November 2022
Team ID	PNT2022TMID48213
Project Name	Skill/Job Recommender Application

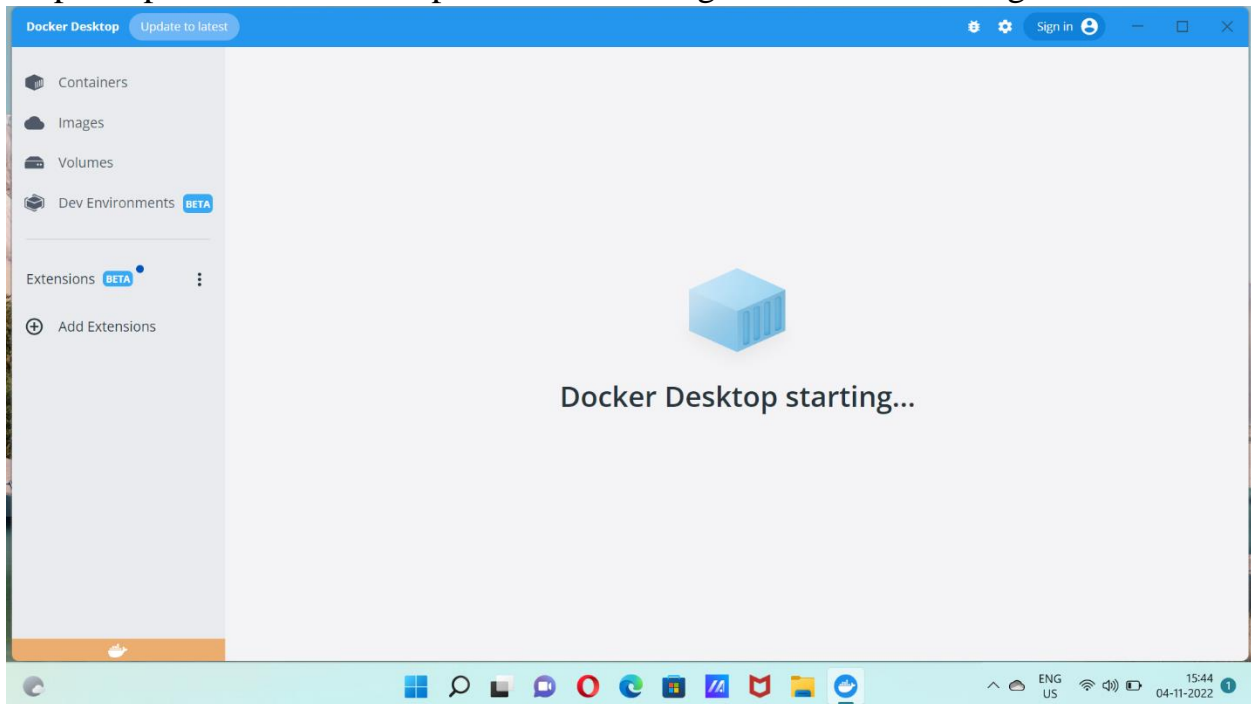

Step 1. Download Docker from docker.com and install it by running the Docker Desktop Installer.exe file

Step 2. Goto hub.docker.com register and create an account and login with the same

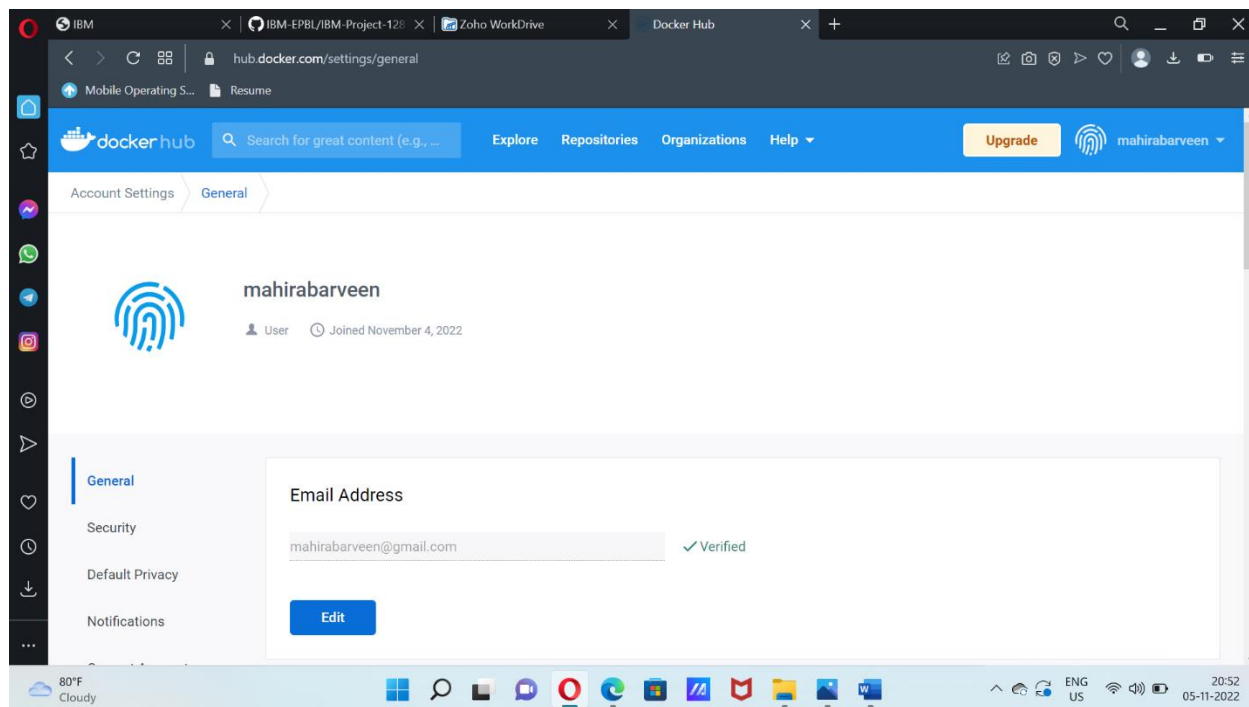

Step 3. Open Docker Desktop and start creating containers and images

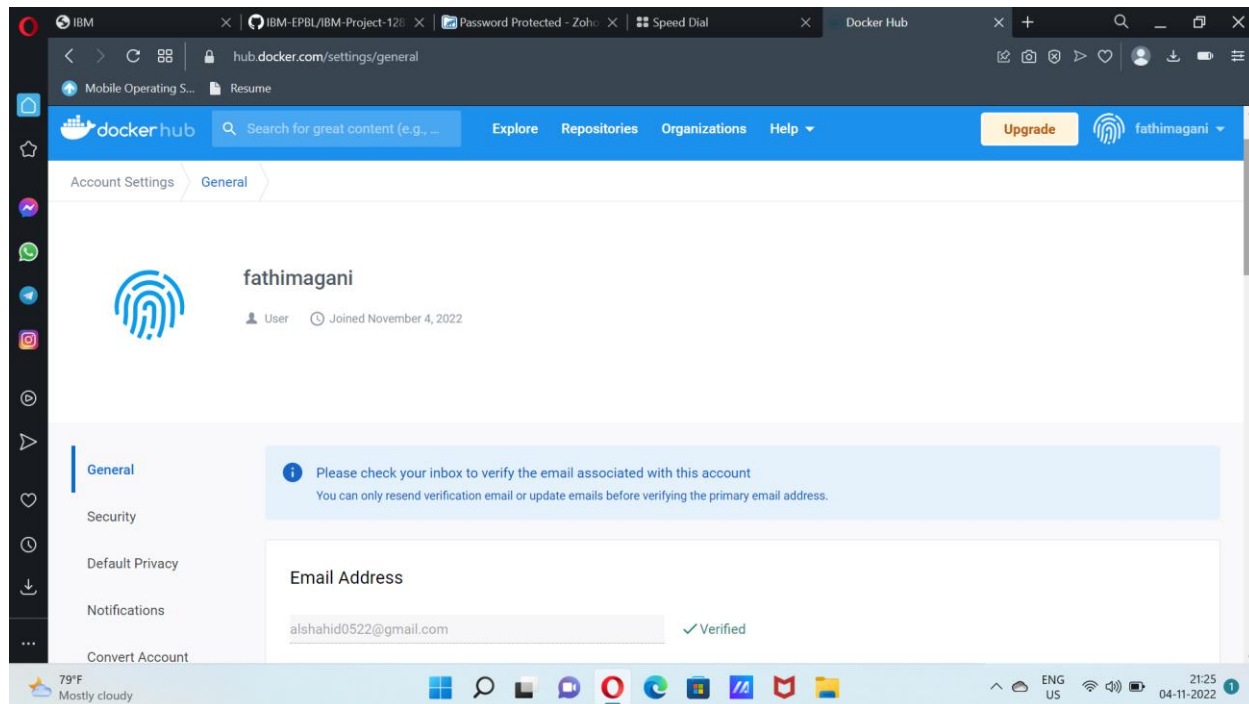

Docker Accounts:

Team Lead:

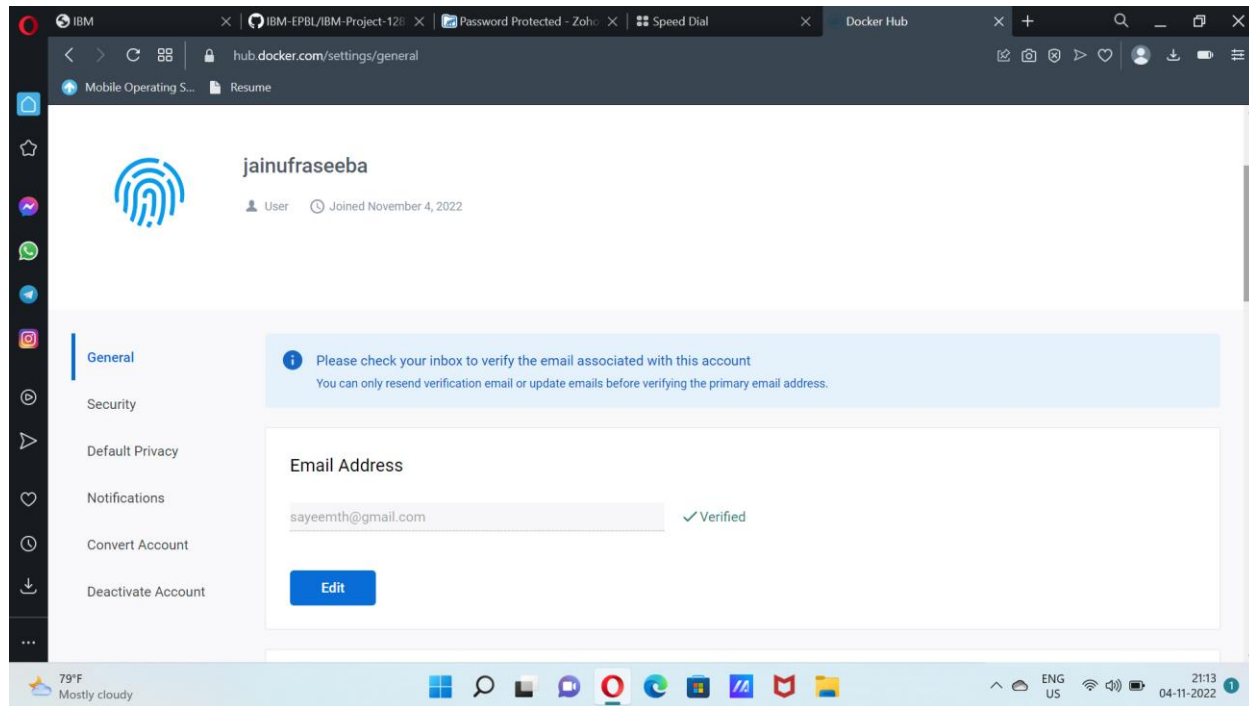

This screenshot shows the Docker Hub account settings page for the user 'mahirabarveen'. The page is titled 'Account Settings' with a sub-tab 'General'. The user's profile shows a fingerprint icon, the name 'mahirabarveen', and the status 'User' with a join date of 'November 4, 2022'. On the left sidebar, there are links for 'General', 'Security', 'Default Privacy', and 'Notifications'. The main content area displays the 'Email Address' field with the value 'mahirabarveen@gmail.com' and a green checkmark indicating it is 'Verified'. Below the email field is an 'Edit' button. The browser's address bar shows 'hub.docker.com/settings/general'. The Windows taskbar at the bottom indicates a temperature of 80°F and a 'Cloudy' weather condition.

This screenshot shows the Docker Hub account settings page for the user 'fathimagani'. The page is titled 'Account Settings' with a sub-tab 'General'. The user's profile shows a fingerprint icon, the name 'fathimagani', and the status 'User' with a join date of 'November 4, 2022'. On the left sidebar, there are links for 'General', 'Security', 'Default Privacy', 'Notifications', and 'Convert Account'. The main content area features a blue informational message: 'Please check your inbox to verify the email associated with this account. You can only resend verification email or update emails before verifying the primary email address.' Below this message is the 'Email Address' field with the value 'alshahid0522@gmail.com' and a green checkmark indicating it is 'Verified'. The browser's address bar shows 'hub.docker.com/settings/general'. The Windows taskbar at the bottom indicates a temperature of 79°F and a 'Mostly cloudy' weather condition.

Team Member 2:

This screenshot shows the Docker Hub account settings page for the user 'jainufraseeba'. The browser tabs include IBM, IBM-EPBL/IBM-Project-120, Password Protected - Zoh..., Speed Dial, and Docker Hub. The address bar shows 'hub.docker.com/settings/general'. The user profile is displayed with a fingerprint icon, the name 'jainufraseeba', and the status 'User' and 'Joined November 4, 2022'. The 'General' tab is selected in the left sidebar, which also lists 'Security', 'Default Privacy', 'Notifications', 'Convert Account', and 'Deactivate Account'. A blue notification banner at the top of the settings area states: 'Please check your inbox to verify the email associated with this account. You can only resend verification email or update emails before verifying the primary email address.' Below this, the 'Email Address' section shows 'sayeemth@gmail.com' with a 'Verified' status and an 'Edit' button. The Windows taskbar at the bottom shows a temperature of 79°F, 'Mostly cloudy' weather, and the date '04-11-2022'.

Team Member 3:

This screenshot shows the Docker Hub account settings page for the user 'nooriyabegam'. The browser tabs include careereducation.smartinter..., IBM-EPBL/IBM-Project-120, Password Protected - Zoh..., Speed Dial, and Docker Hub. The address bar shows 'hub.docker.com/settings/general'. The user profile is displayed with a fingerprint icon, the name 'nooriyabegam', and the status 'User' and 'Joined November 4, 2022'. The 'General' tab is selected in the left sidebar, which also lists 'Security', 'Default Privacy', 'Notifications', 'Convert Account', and 'Deactivate Account'. A blue notification banner at the top of the settings area states: 'Please check your inbox to verify the email associated with this account. You can only resend verification email or update emails before verifying the primary email address.' Below this, the 'Email Address' section shows 'nooriyapgm22@gmail.com' with a 'Verified' status. The Windows taskbar at the bottom shows a temperature of 73°F, 'Mostly cloudy' weather, and the date '04-11-2022'.

Team Member 4:

The screenshot shows a web browser window with multiple tabs. The active tab is 'Docker Hub' showing the account settings page for the user 'kursithabanu'. The URL in the address bar is 'hub.docker.com/settings/general'. The page header includes the Docker Hub logo, a search bar, and navigation links for 'Explore', 'Repositories', 'Organizations', and 'Help'. A yellow 'Upgrade' button is visible next to the user's profile. The left sidebar contains a list of settings categories: 'General', 'Security', 'Default Privacy', 'Notifications', and 'Convert Account'. The 'General' section is active, displaying the user's profile picture (a blue fingerprint icon), the username 'kursithabanu', and the account type 'User' with a join date of 'November 4, 2022'. A blue information box states: 'Please check your inbox to verify the email associated with this account. You can only resend verification email or update emails before verifying the primary email address.' Below this, the 'Email Address' field shows 'kursiba2@gmail.com' with a green checkmark and the word 'Verified'.
